Setup WiFi and Ethernet for the T7/T4/T7-Pro (App Note ... Summary. The T7 and T4 can connect to a computer via USB or Ethernet, and the T7-Pro can be connected using USB, Ethernet, or WiFi. Most of the time people will deploy a T7, T4, or T7-Pro by using the 5V USB adapter to provide power. SecLists.Org Security Mailing List Archive Security Basics — A high-volume list which permits people to ask "stupid questions" without being derided as "n00bs". I recommend this list to network security newbies, but be sure to read Bugtraq and other lists as well. Overview of TCP/IP and the Internet - garykessler.net

1. Introduction. In 1994, I wrote the following paragraph as the introduction to this paper: "An increasing number of people are using the Internet and, many for the first time, are using the tools and utilities that at one time were only available on a limited number of computer systems (and only for really intense users!).
